

New Wilmington Borough

NOTICE

*****CHANGE OF REMITTANCE ADDRESS*****

September 06,2022

Borough Utility Customers:

We are happy to announce that, as of September 15,2022, you may begin mailing your utility payment to the borough office at:

New Wilmington Borough
134 High Street
New Wilmington, PA 16142

Please remember to enclose your utility bill remittance stub and put your account number on your check.

You may also put your utility payment in our night drop box located near the drive thru window at the borough office. We **will not** take in person payments **at this time**. You may continue to remit electronically through the Online Portal until further notice.

Over the next few months, you will receive more correspondence from us as we institute several changes to our utility billing system. These software updates are necessary to ensure compliance and invoicing accuracy.

Thank you for your patience.
