## 2023 New Wilmington Borough Paving Project

Milling, paving, concrete curb, drainage improvements, and brick street reconstruction operations in New Wilmington Borough will begin on June 12, 2023. The length of the project is approximately 5 weeks. Work locations are:

- South End of Laury Lane – Base Repair
- Vine St. & Haw St. Intersection – Brick Street Reconstruction
- Maple Street (from SR 956 to point 1370 feet to the east) – Milling and Resurfacing
- Waugh Avenue (from S. Park St. to a point 420 feet to the east) – New Concrete Curb, Milling and Resurfacing)
- Lincoln Street (From Waugh Avenue to Neshannock Avenue) – New Drainage, Milling and Resurfacing

The work will be completed between the hours of 7:00 AM and 7:00 PM. Traffic will be maintained through the work areas, however, expect minor delays. The brick reconstruction work at the Vine St. & Haw St. intersection will require the closure of each street to through traffic until the work is complete. Additional notifications will be sent out, as required, during the course of the project.
