

## Temporary Suspension of Services (Snowbird Policy)

Temporary suspension of utility service is available for residents who will be away from their home for an extended period and would like their water services temporarily stopped.

Contact the Borough Office at (724) 946-8167 at least two weeks before you leave and/or return to arrange this service. Pursuant to your instructions, the Borough will shut off your water "at the street." We recommend that you winterize/drain your internal pipes as well. A \$100.00 service fee will be added to your water bill.
